Course Delivery

This course is taught using a blended approach which includes online theory lessons and work placement.

Online

The theory components for the course are delivered online which means students are not required to attend classes or lectures. Students will receive access to our 'Learning Portal' where they will find the course materials, interactive learning materials, videos and assessments. In addition, students will also receive a hard copy of the Learner Resource.

While studying online, students will have access to our teaching support team via email, online chat or phone. Our teaching team will help support and guide students every step on their journey.

Work Placement

In order to acquire the necessary practical skills to successfully complete a **Certificate I Animal Care Industry Pathways** qualification, a workplace-based training program (known as a Work Placement) is mandatory. Work placement can be paid employment OR volunteering. Students are required to complete a minimum of **10 full days** of work placement.

It is the students responsibility to search and secure a work placement position that meets their location, schedule, and interests. If a student is currently working or volunteering in an animal- related business, they may be able to use their current employment or volunteering position for the workplace training.

Students are also able to complete their practical training at the Academy (Gold Coast)

In the animal and pet sectors, work placements are essential for students to acquire critical skills such as animal handling, animal care, effective communication with clients and customers, as well as teamwork.

Course Fees

The full fee for the course is **\$2,000**

Students have a choice of payment options that best suit their financial circumstances.
